be resolved, they should be brought to the Court's attention by letter. This letter should be brief and to the point so as to allow for expeditious resolution of discovery disputes without the need for formal motions. A responsive letter should be submitted within five days. Failure to bring disputes to my attention promptly and in advance of the discovery deadline will result in a waiver of remedies as to such disputes.

Telephonic applications will be entertained only where disputes arise in the course of depositions or in genuine emergencies. In all other cases, applications must be made by letter to my chambers. If the application is for an extension of time, the letter-application (indicating whether all parties consent) must be delivered to my chambers at least ten days prior to the original due date.

Papers filed with the Court should be marked "Referred to Magistrate Judge Katz." The Clerk of the Court and my chambers must be advised of any change of address or telephone number.

Plaintiff is reminded that he is obligated to keep the Court informed of his current mailing address.

SO ORDERED.
